		CTO				
		I managed Luis in Tabas. Luís is a very capable software engineer. He has multiple skills and you can leverage on his ability to deliver top notch solutions.				
		He is also a great person to work with; easygoing and always willing to improve himself.				
	<b><u>Carlos Veiga</u></b> 					
	Full Stack Developer					
	I had the opportunity to work alongside Luís at Tabas, and I was always impressed by his commitment to quality. Luís is the kind of person who doesn't just aim to get the job done but insists on getting it done right. He pays close attention to detail and always strive to deliver the best possible product. His dedication to excellence is something you don't come across often, and it was a pleasure to work with him.
